## EXPERIENCE

### Internship - Web Development Intern (2 months)

- As an intern, I contributed to building an e-commerce platform using the MERN stack. I focused on creating a user-friendly interface with React.js and handled backend tasks with Node.js and Express.
- Throughout, I honed problem-solving skills, collaborated effectively with team members, and gained valuable insights into client management.
- Technologies Used:** React.js, Redux Toolkit, Shad-Cn UI library, Tailwind CSS, Node.js, Express, MongoDB

## SKILLS

### Languages

Javascript Java C C++ Python

### Front-end Libraries

React.js Redux Shad-Cn Tailwind CSS

### Back-end Libraries

Node.js Express Flask MongoDB

### Tools or Platforms

Figma Git Github Postman Shell

## COURSES/CERTIFICATIONS

### Meta

#### Advanced React (Coursera)

📅 December 2023

### Google

#### Crash Course On Python (Coursera)

📅 December 2022

### Meta

#### Programming With Javascript (Coursera)

📅 December 2023

### Meta

#### Version Control Git and Github (Coursera)

📅 March 2023

## CODING PLATFORMS

### Hackerrank

4 star in Python

## PROJECTS

### Project 1 : Portfolio Website

- Using Next.js, React, Shadcn UI, and Tailwind CSS, I created a portfolio website that's both interactive and beautifully designed.
- URL:** <https://anujghom.vercel.app/>

### Project 2 : E-Commerce Website

- Discover a gaming paradise on our eCommerce website, offering a diverse array of games to suit every gamer's preference. It is only Front-end project which showcase my frontend skills
- URL:** <https://game-ecommerce-react.netlify.app/>

### Project 3 : SafeguardDen Security Tool In Python

- Enhance online privacy effortlessly with this tool, enabling anonymous browsing and easy adjustments to MAC address, hostname, and more. Offering Tor browsing, log cleaning, and security checks, it's your go-to for bolstering online safety.
- URL:** <https://github.com/geekclick/SafeguardDen/>

## EDUCATION

### BE in Computer Science Engineering

#### P. R. Pote Patil College of Engineering and Management

📅 November 2022 – Present Maharashtra, India

- CGPA: 8.18

### Diploma in Electronics and Telecommunication

#### Government Polytechnic Amravati

📅 July 2019 – August 2020 Maharashtra, India

- 83.84%

### High School)

#### Manibai Gujrati High Scool Amravati

📅 June 2013 – March 2019 Maharashtra, India

- 77.80%

## LANGUAGES

### Languages Proficiency:

English, Hindi, Marathi
